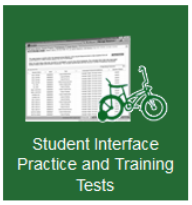
# Smarter Balanced Resources:
# How to Access & Use Training and Practice Tests

1. Go to http://sbac.portal.airast.org/practice-test/

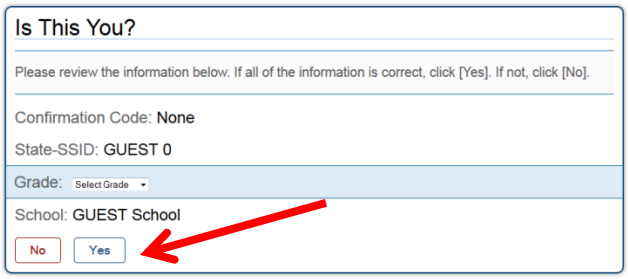
2. Go to the bottom of the page and click on

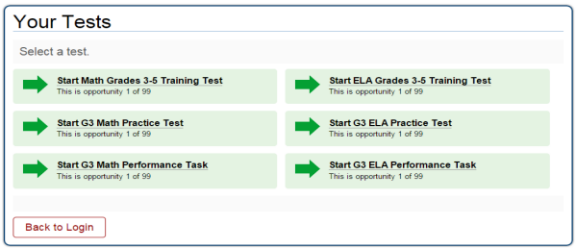


3. Log in as a guest user. Make sure the checkboxes next to "Guest User" and "Guest Session" are checked.

4. Click

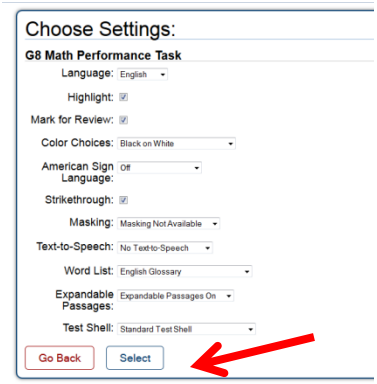
5. Select a Grade Level.
6. Click "Yes" to continue.

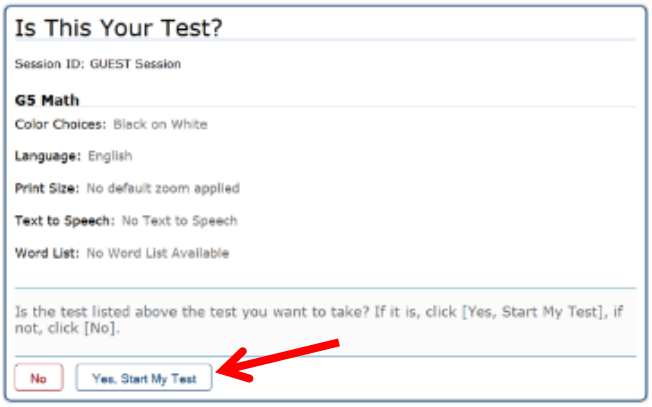




7. Click on the name of the practice or training test you want to take and continue to the next step.
8. If you want to access test from another grade, click "Back to Login".

9. Click “Select” to continue.

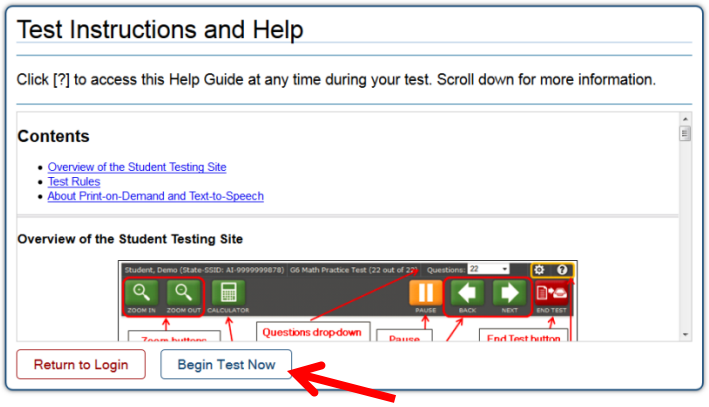




10. Review the screen and confirm the test and settings. If the settings are not correct, click [No]. You will return to Step 2, Select a Practice or Training Test.

If the settings are correct, click [Yes, Start My Test] to proceed.

11. The Test Instructions and Help page is last. Review the information on this page by scrolling through the entire page, and then click [Begin Test Now] at the bottom of the screen. The first page of the test will automatically appear.



WARNING: The tests are not scored! If you want to have students check their answers, do makes sure they do NOT submit their test results. The purpose of the training test is to give students experience with the software, so there is no scoring guide. However, there are *Scoring Guides* (under the heading “Resources and Documentation”) for both the practice test and the performance task. You will find these at
