

Pull 'n' Peel Waves

Directions:

1. Use the Pull 'n' Peel Twizzlers to create models of waves.
2. Draw pictures of each wave.
3. Label the parts of each wave.
4. Show the direction of movement for each wave.
5. Give an example of each wave.

Transverse Wave

Label: Crest, Trough, Wavelength, Amplitude, and Resting Point/Equilibrium

Wave Motion: _____

Example of a Transverse Wave: _____

Longitudinal/Compressional Wave

Label: Compression, Rarefaction, and Wavelength

Wave Motion: _____

Example of a Longitudinal Wave: _____
