

Nevada Educational Performance Framework

Standard 1 - New Learning is Connected to Prior Learning and Experience

Standards	Observation Evidence	Confirmatory Evidence
Indicator 1: <i>Teacher activates all students' initial understanding of new concepts and skills.</i>		
Indicator 2: <i>Teacher makes connections explicit between previous learning and new concepts and skills for all students.</i>		
Indicator 3: <i>Teacher makes clear the purpose and relevance of new learning for all students.</i>		
Indicator 4: <i>Teacher provides all students opportunities to build on or challenge initial understandings.</i>
