

**Reflecting on Student Learning • Reflecting on Professional Practice**

<b>STUDENT LEARNING</b>	<b>Content Standards</b>	<b>Data/Evidence</b>
Strengths		
Areas for Growth and Improvement		

**What** has been a big student learning challenge(s) this year with my students?  
**How** do I know?  
**Why** is this topic/focus important? Why is this a priority?

<b>PROFESSIONAL PRACTICE</b>	<b>NEFP Standards</b>	<b>Data/Evidence</b>
Strengths		
Areas for Growth and Improvement		

**What** do I need to know or learn in order to be able to address the student learning challenge?  
**How** do I know?  
**Why** is this topic/focus important? **Why** is this a priority?

Nevada Educator Performance Framework

Reflection on Student Learning – Developing Student Learning Goal  
What are the Learning Needs of My Students?

	Positive	Negative
Internal	<b>Strengths</b> – According to our data, what are the strengths of my students in meeting NV State Standards?	<b>Weaknesses</b> – According to our data, what are the weaknesses of my students in meeting NV State Standards?
External	<b>Opportunities</b> – Actions that I can take (NEPF Standards) to enhance Student Learning on NV State Standards?	<b>Threats</b> – Barriers that I need to overcome (NEPF Standards) to support Improved Student Learning on NV State Standards?
