The overall purpose of the PTA is to make every child's potential a reality by engaging and empowering families and communities to advocate for all children.</p>

WEBSITE		DESCRIPTION
<a href="http://commoncoretools.me">commoncoretools.me</a>		This website publishes updates and reports on projects from Common Core State Standards, Illustrative Math Project, and the Institute for Mathematics and Education.
<a href="http://www.corestandards.org">www.corestandards.org</a>		This site is a resource where you can learn about why the Common Core is important for your child, understand how the Common Core was created, and explore the Common Core.
<a href="http://www.smarterbalanced.org/k-12-education/common-core-state-standards-tools-resources">http://www.smarterbalanced.org/k-12-education/common-core-state-standards-tools-resources</a>		The Smarter Balanced Assessment Consortium is developing a system of valid, reliable, and fair next-generation assessments aligned to the Common Core State Standards (CCSS) in English language arts/literacy and mathematics for grades 3-8 and 11. The system-which includes both summative assessments for accountability purposes and optional interim assessments for instructional use-will use computer adaptive testing technologies to the greatest extent possible to provide meaningful feedback and actionable data that teachers and other educators can use to help students succeed.
