

Training Test - Smarter Balanced Assessment Consortium

To take an online High School Training Test for grade 11 follow directions below.
(You may want to print these instructions first.)

1. Link here  
If the link does not work on your computer/device, please copy the url and paste it in your browser.
2. Click on the Green Box on the bottom right of the page 
3. On the next page, **you do not have to sign in**, just click on the **SIGN IN** button 
4. Next page, select a GRADE, (**11** for High School) and click on **YES** 
5. On the next page, choose **START Math Training Test** 
6. On the bottom of the next page choose **Select** 
7. Second to Last page, choose **YES, START MY TEST** 
8. Last page, choose **BEGIN TEST NOW** 

Note: This is a training test that allows students to practice using the tools and online responses. Don't worry about the solutions, just practice using the tools, the calculator, dragging and dropping, etc.
