NVACS: Operations and Algebraic Thinking

(K.OA.4 - For any number from 1 to 9, find the number that makes 10.)

Practice for Kindergarten

Look at the first number in each equation. Fill that number of squares on the ten frame below with small objects like pennies. Count how many more are needed to make 10. Write the answer for each equation.

$$2 + \underline{\quad} = 10$$

$$6 + \underline{\quad} = 10$$

$$4 + \underline{\quad} = 10$$

$$3 + \underline{\quad} = 10$$

$$7 + \underline{\quad} = 10$$

$$8 + \underline{\quad} = 10$$

$$9 + \underline{\quad} = 10$$

$$1 + \underline{\quad} = 10$$

$$5 + \underline{\quad} = 10$$

$$10 + \underline{\quad} = 10$$
