All 8th-grade students at a school answered Yes or No to the two survey questions shown.

- Do you have a cell phone?
Yes No
- Do you have an MP3 player?
Yes No

The same students responded to both questions. Complete the two-way frequency table to show the correct totals for the given data. You must complete **all** five cells of the table for a full credit response.

	MP3 Player	No MP3 Player	Total
Cell Phone	57	122	<input type="text"/>
No Cell Phone	30	65	<input type="text"/>
Total	<input type="text"/>	<input type="text"/>	<input type="text"/>

Exemplar: (shown below)

	MP3 Player	No MP3 Player	Total
Cell Phone	57	122	179
No Cell Phone	30	65	95
Total	87	187	274

Rubric: (1 point) Student fills in the table for all five cells with correct totals.
