# Persuasion Map

**Goal or Thesis:** A goal or thesis is a statement that describes one side of an arguable viewpoint. Write your own goal or thesis here.

**Main Reasons:** Briefly state three main reasons that would convince someone that your goal or thesis is valid.

**Facts or Examples:** Write three facts or examples to support each of your main reasons and validate your goal or thesis.

**Conclusion:** Conclude your argument by summarizing the most important details of the argument and stating once again what the reader is to believe or do.
