- Brain storm texts you already use to teach this standard and purpose
- Create a t-chart to evaluate:

Purpose	
Quantitative	Qualitative

### Model Lesson

**Focus Strands:** Reading Literature and Writing Informative/Explanatory Text

**Theme:** Choice and Consequence

**Quick Write Reflection:**

*Write about a time when you made a choice that had long lasting consequences. Did the event touch others or only you? If you knew then what you now know, would you change your choice? Why or why not?*

- ### Identify the CCSS Used
- Fold a blank sheet of paper into four columns
  - Label columns with the four Strands
  - Analyze the lesson:
    - What standards are addressed?
    - Note differences between grades 9-10 and 11-12
    - How are the strands integrated?
    - Are there cross-curricular connections?
    - How does using a theme facilitate this integration?
