

Nevada Academic Content Standards - Resource Page

The resources below have been created to assist teachers' understanding and to aid instruction of this standard.

College and Career Readiness (CCR) Anchor Standard	Standard: RF.1.2d - Segment spoken single-syllable words into their complete sequence of individual sounds (phonemes).
	<p><u>Questions to Focus Learning</u></p> <p>How does the ability to segment words support students in writing?</p> <p>Phonemic awareness is a strong predictor of long-term reading and writing success. The ability to orally isolate sounds in words leads to writing sounds in sequence to make words.</p> <p><u>Student Friendly Objectives</u></p> <p><i>Knowledge Targets</i></p> <p>I know sounds work together to make words. I know the order of sounds in a word is important. I know words can be segmented into individual sounds.</p> <p><i>Performance Targets</i></p> <p>I can orally segment all the sounds in words.</p> <p><u>Vocabulary</u></p> <p>each/individual order/sequence segment</p>

Teacher Tips

Activities

[Break and Make](#) - In this activity students will blend and segment words into groups by the number of phonemes in each picture.

[Phoneme Challenge](#) - In this activity students will blend and segment words into groups by the number of phonemes in each picture.

[Phoneme Game](#) - In this activity students will blend and segment words into groups by the number of phonemes in each picture.

[Phoneme Split and Say](#) - In this activity students will blend and segment words into groups by the number of phonemes in each picture.

[Treasure Chest](#) - In this activity students will blend and segment words into groups by the number of phonemes in each picture.

Lessons

[Beginning Sounds lesson](#) - This lesson plan is in 3 parts and has students create songs that have the same beginning sound.

[A Hunting We Will Go](#) - This lesson has students rhyming words to the song *A Hunting We Will Go*.

Vertical Progression

RF.K.2 - Demonstrate understanding of spoken words, syllables, and sounds (phonemes).

The above information and more can be accessed for free on the [Wiki-Teacher](#) website.
