

Nevada Academic Content Standards - Resource Page

The resources below have been created to assist teachers' understanding and to aid instruction of this standard.

College and Career Readiness (CCR) Anchor Standard	Standard: W.K.7 - Participate in shared research and writing projects (e.g., explore a number of books by a favorite author and express opinions about them).
W.CCR.7 Conduct short as well as more sustained research projects based on focused questions, demonstrating understanding of the subject under investigation.	<p><u>Questions to Focus Learning</u></p> <p>What is the purpose of research? How does a writer share their information gathered during research?</p> <p>Research is one way to gather and expand one's knowledge. Writers can share information by expressing their opinion about a subject.</p> <p><u>Student Friendly Objectives</u></p> <p><i>Knowledge Targets</i></p> <p>I know research is the act of gathering data, information, and facts. I know information can be shared in a variety of ways (e.g., photos with captions, sequence of events, step by step directions).</p> <p><i>Reasoning Targets</i></p> <p>I can determine which information is relevant to a research topic.</p> <p><i>Performance Targets</i></p> <p>I can share opinions about topics explored during a shared research or writing project.</p>

Vertical Progression

W.1.7 - Participate in shared research and writing projects (e.g., explore a number of "how-to" books on a given topic and use them to write a sequence of instructions).

W.2.7 - Participate in shared research and writing projects (e.g., read a number of books on a single topic to produce a report; record science observations).

W.3.7 - Conduct short research projects that build knowledge about a topic.

W.5.7 - Conduct short research projects that use several sources to build knowledge through investigation of different aspects of a topic.

W.6.7 - Conduct short research projects to answer a question, drawing on several sources and refocusing the inquiry when appropriate.

W.7.7 - Conduct short research projects to answer a question, drawing on several sources and generating additional related, focused questions for further research and investigation.

W.8.7 - Conduct short research projects to answer a question (including a self-generated question), drawing on several sources and generating additional related, focused questions that allow for multiple avenues of exploration.

W.9-10.7 - Conduct short as well as more sustained research projects to answer a question (including a self-generated question) or solve a problem; narrow or broaden the inquiry when appropriate; synthesize multiple sources on the subject, demonstrating understanding of the subject under investigation.

W.11-12.7 - Conduct short as well as more sustained research projects to answer a question (including a self-generated question) or solve a problem; narrow or broaden the inquiry when appropriate; synthesize multiple sources on the subject, demonstrating understanding of the subject under investigation.
